## About the GVVR

- A group of Vespa owners that ride in and around the GVRD.
- Our mission is to offer local Vespa owners a place to meet, chat, organize rides, download Vespa manuals, learn about their scooters, and take advantage of dealer perks only available to GVVR Subscribers.
- We are 'Subscribers' not 'Members'. We offer subscriptions to a resource. Our primary goal is to be the number 1 information center for Vespa owners in the GVRD, and to become what everyone expects when they pay money to join a group.
- Our Club is internet based, and information between members is exchanged primarily on our website and forum.

**Full Subscription (\$30/yr)** which allows you access to our entire Forum housing a variety of Vespa related information such as technical books, wiring diagrams, paint codes, vintage photos, and tech help from real technicians, plus a live chat area.

**Requirements:** You must live in the GVRD and own a Vespa.  
(Full details avail. on our forum)
